Christmas Eve Offering for Campus Ministry

This year, I asked our churches to prayerfully consider taking up a special Christmas Eve offering to support a pressing and vital ministry need. I want to thank your pastor and your church for taking up this special opportunity.

Several faithful Wesleyan and traditionally grounded campus ministries are facing a critical funding shortfall. Due to their faithfulness to the Gospel and their calling, these ministries are no longer receiving financial support from a previous denominational partner. This has left a significant gap in their budgets, threatening their ability to continue ministering to college students during this pivotal season of life.

Who Will Benefit

Funds collected through your Christmas Eve offering will support the following campus ministries which align with Global Methodist values:

- University of North Georgia, Dahlonega Campus (Dahlonega, GA)
- Georgia College and State University (Milledgeville, GA)
- College of Coastal Georgia (Brunswick, GA)
- Georgia Southwestern State University (Americus, GA)
- Valdosta State University (Valdosta, GA)

How to Give

Please put your gift in your church offering and mark them “Christmas Eve for Campus Ministry” or visit SGAGMC.org.
